

# Paradise Awaits You!

Aloha!

We are No Te Here O Te Hiro'a, the Polynesian Club of Fresno. We are a professional Polynesian performance group and dance studio under the direction of the Kuma family in Fresno, California. We have been bringing the beauty of the islands to the San Joaquin Valley since 1972 – almost 50 years! Our dancers, musicians and drummers have won many international and national competitions over the years for our dancing, drumming, music as well as traditional costumes.

Through the enchanting music of the Polynesian islands, we share our love of the culture and the heritage of its people. From the graceful hulas, to the awesome Samoan fire knife dance, our show takes you on a journey through the islands. In addition to the melodic hulas of Hawaii, we also share with you the dances from Aotearoa (New Zealand), Samoa, the beauty of our homeland Tonga and of course, the heart pounding drum dances of Tahiti. Our award-winning drummers are an exciting addition to our show.

Our dancers are of Polynesian ancestry, and also “Polynesians-at-heart”. We are available for large celebrations, corporate events, weddings, luaus as well as small gatherings. We also offer additional services to complete your evening including fresh lei's flown in from Hawaii and an authentic catering menu that can't be beat! For delicious, traditional “straight from the islands” flavors, let us cater your next event.

You can view pictures of our dance studios, shows and cultural events at our website: [www.polynesianclub.com](http://www.polynesianclub.com) We can't wait to share the beauty and excitement of Polynesia with you!
